

## NAH Student Instructions –

**Read all of these instructions and follow them.**

**Failure to provide accurate and complete information will affect your rotation start date.**

All students are required to take the Student Module through the NAH LMS system. Nursing Students are also required to take the Accu-Chek Module. Proof of module completion is required and must be submitted with the Student paperwork (screen shot or printed transcript). *Allow a **minimum of 6 business days** to process the paperwork and be cleared.*

**Incomplete or illegible forms will be rejected.**

For questions about the paperwork, call VVMC Education 928-639-6343.

**Student Process website:** <https://www.nahealth.com/education/learning-about-our-student-process>

**The LMS (modules) website:** <https://lsglm700.learnssoft.com/LSGLM/Login/nahealthlogin.aspx>

Look for “Guest users please register here: to create your NAH LMS account. On the Overview page click the search tab and search for “student”.
