VALUES

We are committed to meeting the needs and exceeding the expectations of our **patients**. We will create an organizational culture where **colleagues** feel valued and take a sense of pride in their work. We continuously strive to achieve excellent **quality** at all levels in the organization. We are committed to maintaining a **safe** environment for our patients, visitors and colleagues. We promote **leadership** as an attitude, not a position, putting value on both people and the work they do. **Teamwork**: we are colleagues working together, sharing knowledge, talents and skills to achieve common goals. **Integrity**: we will be forthright, honest and respectful. We will embrace the **diversity** of our people, patients and the communities we serve.

MISSION STATEMENT

To provide patients with exceptional care while transforming the health of the communities we serve.

VISION STATEMENT

To be a model healthcare system distinguished by our people, quality, service and our dedication to community health solutions.

WE ARE TOBACCO-FREE:

To encourage good health for our patients, visitors, volunteers and employees. This includes sidewalks adjacent to public streets.
