

Course Description

AWHONN's Advanced Fetal Monitoring Course (AFMC), designed for the experienced clinician, focuses on the application of advanced concepts and knowledge of fetal monitoring as they apply to complex maternal-fetal case scenarios. The course builds on knowledge gained from the AWHONN Intermediate Fetal Monitoring Course (IFMC).

Learning Objectives

At the conclusion of this workshop, the participant should be able to:

- Identify physiologic principles underlying fetal heart monitoring.
- Describe physiologic principles of maternal and fetal oxygen transfer and acid-base balance.
- Describe concepts in antenatal testing, including analysis and interpretation of biophysical profiles and complex antenatal fetal heart monitoring tracings.
- Relate physiologic principles to the goals and interventions of antenatal testing.
- Evaluate interventions for patients undergoing antenatal testing.
- Analyze fetal cardiac arrhythmia patterns and describe outcomes associated with these patterns.
- Analyze complex fetal heart monitoring patterns utilizing current NICHD/ACOG FHM terminology and categories.
- Apply perinatal risk management principles, communication techniques, and documentation strategies related to complex and challenging patient care scenarios.

Course Requirements

In preparation for the course, participants must read AWHONN's *Fetal Heart Monitoring Principles and Practices, 5th Ed.* (may be purchased through NAH Education for \$35.00). The course examination/feedback portion of the class will be completed online and must be completed within 30 days of class date. Employees of NAH must pass the online exam in order to complete course requirements.

Continuing Education Credit

A total of eight contact hours of continuing nursing education credit or six hours of continuing medical education credit will be awarded to those who attend and participate in the entire course. AWHONN is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. AWHONN also holds a California BRN number: California CNE provider #CEP580. Accredited Status does not imply endorsement by AWHONN or ANCC of any commercial products displayed or discussed in conjunction with an activity.
