

Course Description

AWHONN's Intermediate Fetal Monitoring Course (IFMC) is a 2 day offering focusing on the application of essential fetal monitoring knowledge and skills in intrapartum nursing practice. The Joint Commission requires that staff demonstrate knowledge and skills appropriate to their assigned responsibilities, which involves more than on-the-job training. They also require documentation of those skills by a qualified professional. AWHONN's IFMC provides both knowledge and hands-on experience.

Learning Objectives

At the conclusion of this workshop, the participant should be able to:

- Demonstrate the decision-making process necessary for the proper selection and verification of fetal heart monitoring techniques.
- Analyze fetal heart rate patterns, uterine activity, and their implications for fetal well-being.
- Correlate indicated clinical interventions with related maternal-fetal physiology.
- Describe the role and responsibility of the professional nurse in the use of FHM in intrapartum care.
- Simulate the psychomotor skills used in FHM.
- Communicate verbal and written data about patient status and verify accountability.

Course Requirements

In preparation for the course, participants must read AWHONN's *Fetal Heart Monitoring Principles and Practices, 5th Ed.* which will be provided upon registration.

Schedule

Class time 8:30a.m. - 5:00 p.m.

Flagstaff Medical Center

February 23 & 24

September 29 & 30

VVMC Medical Center

July 14 & 15

Cost

Intermediate Course -

\$295 non NAH employees

\$235 NAH employees

Continuing Education Credit

Those who attend and participate in the entire course will receive 18.0 contact hours of continuing nursing education credit or 15.25 continuing medical education credit.

Competence validation will be awarded when all skill stations are successfully completed with a passing score. Participants must be advised that state and provincial nurse practice acts and institutional policies that prescribe specific independent and interdependent nursing activities and that govern practice must be considered when implementing the described assessments, interventions and evaluations in individual practice settings. AWHONN is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

AWHONN also holds a California BRN

number: California CNE provider #CEP580.

Accredited status does not imply endorsement by AWHONN or ANCC of any commercial products displayed or discussed in conjunction with an activity. CME is provided through the Professional Education Services Group.

Locations

At Flagstaff Medical Center (FMC), the courses will be held in the Northern Arizona Healthcare Training Center, located at the west end of Fort Valley Shopping Center, 1000 N. Humphreys, Suite 241-242, Flagstaff, AZ. In Cottonwood, the courses will be held in the Courtyard Plaza on the east side of Verde Valley Medical Center (VVMC), 300 S. Willard St, Ste 102.

Cancellation Policy

Refunds are available less a \$120.00 administration fee. No refund is issued if cancellation occurs within five business days of the course.
