Patient Policy Information

Patient's Name: _____

Date of Birth: _____

Welcome to Flagstaff Surgical Associates (FSA). We would like to thank you for your confidence and the opportunity to provide your medical treatment and care. At Flagstaff Surgical Associates (FSA), we are committed to providing you with the best possible care. If you have insurance, we are eager to help you receive your maximum allowable benefits. In order to achieve this goal, we need your assistance and understanding of our policies.

Insurance and Payment Policy

As a courtesy to our patients, we will submit your charges to a contracted insurance company. Please bring your insurance card(s) to your appointment. Any copayment or deductible is also due at your visit. If you do not have insurance or we are not contracted with your insurance, payment will be required at the time of your visit. If you are scheduled for an in office procedure or surgery, your portion and any deductible will need to be paid on or before that date. Without insurance information, the patient will be responsible for the bill at the time of his/her visit. We accept cash, check, Visa, MasterCard and Discover cards.

If you have an insurance that requires a referral or authorization, we must have that before your appointment. Referrals may be brought in or faxed to us. Appointments will need to be rescheduled if the referral or authorization is not received. For those patients receiving surgical or diagnostic treatment, please know that we will prior authorize your procedure, this authorization is not a guarantee of benefits; it is merely a statement by your insurance company that they agree with the course of treatment. ***You should still call your insurance yourself to notify them of your proposed treatment plan.***

Payments for services are due by the time services are rendered unless payment arrangements have been approved in advance by our managers or administrative staff. We will gladly discuss your proposed treatment and answer any question relating to your insurance. Please know however, that:

- 1) We must receive current insurance information *before* you see the doctor.
- 2) Your insurance is a contract between you and the insurance company. ***We are not a party to that contract.***
- 3) Most insurance companies have a copayment and or a deductible that must be met before the insurance company will pay their portion. If you have not met your deductible for the year, you are responsible for any charges until that deductible is met. Copayments are due at ***EACH*** visit.
- 4) Your deductible and/or out-of-pocket patient responsibility is due on or before any in-office procedure or surgery.
- 5) Not all services are a covered benefit in all contracts. For instance, if your plan does not cover preventive services, you will be responsible for that charge.
- 6) If payment for medical services rendered has not been received in 120 days, the account will be referred to a collection agency. A 35% service fee will be added to the balance for the legal and administrative fees involved when collecting an unpaid bill. We must emphasize that as medical providers, our relationship is with *you*, not your insurance company. We may have an "In-Network" relationship with a particular insurance company; however, your personal benefits still prevail. Insurance companies highly encourage patients to use "In-Network" providers, and consider it a patients' responsibility to find out which providers are "In-Network".

Cancellation Policy

We strive to render excellent medical care to our patients. When an appointment is scheduled, that time has been set aside for you and when it is missed, that time cannot be used to treat another patient in need of our services. Additionally, if a patient is more than 15 minutes late to his/her appointment, he/she will be seen when possible that same day or rescheduled to another day.

We request that you please give our office a 24-hour notice in the event that you need to reschedule or cancel your appointment. If you miss an appointment without contacting our office by noon the day prior, then it will be considered a missed appointment. At FSA's sole discretion, a fee of \$25.00 may be charged for a missed office appointment, and a fee of \$100.00 will be charged for a missed in office procedure or surgical appointment.

If a patient accumulates a total of three (3) missed appointments, you may not be rescheduled for future appointments and be asked to find another physician to continue your care.

FSA has the right to amend terms in this agreement. By signing below you agree to be bound by the terms in FSA's Patient Policy Information.
