

Neuro Bootcamp 2023

a therapy-based rehabilitation series for survivors of stroke or traumatic brain injury

EntireCare Neuro Bootcamp is an intense, structured program developed for patients recovering from stroke or traumatic brain injury who need physical, occupational and speech therapy.

The program is comprised of daily treatments, appointments for various specialized therapies, group sessions and lots of fun.

Attendees should be able to tolerate the program for five consecutive days, five hours each day.

Neuro Bootcamp attendees will notice improved function after attending the program.

Summer Bootcamp: June 12-16, 9 a.m. - 2 p.m.

Fall Bootcamp: September 25-29, 9 a.m. - 2 p.m.

**Neuro Bootcamp is located at EntireCare Flagstaff Medical Center
1215 N. Beaver St., Flagstaff, AZ 86001
928-773-2125**
