Featured: Our New Plastic Surgery Clinic

Nicole Kurnik, MD, will be at Children's Health Center (CHC) once a month to provide plastic surgery services for patients in northern Arizona.

As a craniofacial and plastic surgery specialist, Dr. Kurnik offers a wide range of services. She treats craniofacial malformations, cleft lip and palate, breast and chest wall anomalies and a wide range of other pediatric plastic surgery diagnoses.

Dr. Kurnik is based at Phoenix Children's Hospital.

All smiles - Special grant funding from Delta Dental gives CHC the unique opportunity to support patients and families with electric toothbrush kits and replacement heads. Toothbrushes are given to any child under 25, including, but not limited to, children with chronic or acute diseases and/or disabilities or sensorimotor challenges.

SUCCESSFUL FALL 2023 BACKPACK DRIVE

CHC completed a backpack drive benefitting 240 patients heading into a new school year. This year's drive was made possible by the generous support of Desert Financial Credit Union.

RECORD-BREAKING 45TH ANNUAL MACHINE SOLUTIONS RUN

By the numbers:

441 - Record number of registered participants who ran one of the 2K, 5K, 10K or 100-yard dash races

61 - Record number of caped heroes who ran in the children's 100-yard dash. So many kids participated that for the first time, two heats had to be arranged.

1,547 - Total number of miles ran to raise money for CHC

Thank you to our 2023 sponsors: Machine Solutions, Swire Coca Cola, OneAZ Credit Union, Findlay Toyota Flagstaff, Arizona Complete Health, Equality Health, Around the Mountain Pediatric Dentistry, Mountain View Pediatrics, Flagstaff Pediatric Care, Plastic Surgeons of Northern Arizona, Cambium Wealth & Legacy Strategies, Flagstaff Fire Department, Northern Arizona University, Lululemon Athletica, Kahtoola and Chick-fil-a.

CHC'S NEW FACES

HANNAH HERMAN, CF-SLP

I am from Texas and, in my free time, I like running and hanging out with my cat! I provide speech and language services to kiddos of all ages. I am passionate about helping the autism population, augmentative and alternative communication users and pediatric stroke survivors.

TERI CHRYSLER, RN

I have been with NAH for 15 years in med/surg; labor, delivery and OB; pre-op; PACU; pre-admissions and IT RN clinical informatics. I currently serve as a case manager for GI, cardiology and developmental pediatrics at CHC.

AUBREY STUBLER, SLP

My name is Aubrey Stubler and I joined CHC in June of this year as a speech-language pathologist. I'm proud of my work over the past 11 years in this field, serving children and their families from diverse backgrounds all over northern Arizona. In my free time, I enjoy camping, going to see live music and hanging out with my friends and family.
