

Course Description

AWHONN's Intermediate Fetal Monitoring Course (IFMC) is a one day, in person class, with online prework which focuses on the application of essential fetal monitoring knowledge and skills in intrapartum nursing practice. The Joint Commission requires that staff demonstrate knowledge and skills appropriate to their assigned responsibilities, which involves more than on-the-job training. They also require documentation of those skills by a qualified professional. AWHONN's IFMC provides both knowledge and hands-on experience.

Learning Objectives

At the conclusion of this workshop, the participant should be able to:

- Interpret fetal heart rate monitoring using NICHD terminology within a safety culture framework of interdisciplinary teamwork.
- Describe clinical interventions and related maternal-fetal physiology to optimize fetal oxygenation.
- Demonstrate collaborative communication in the perinatal setting.
- Demonstrate common perinatal procedures related to fetal monitoring.

Course Requirements

In preparation for the course, participants must read AWHONN's *Fetal Heart Monitoring Principles and Practices, 6th Ed.* which will be provided upon registration.

Schedule

Class time 8:30a.m. - 5:00 p.m.

Flagstaff Medical Center

April 24th August 1st

VVMC Medical Center

January 24th October 23rd

Cost

Intermediate Course -

\$325 non NAH employees

\$265 NAH employees

Continuing Education Credit

Those who attend and participate in the entire course will receive 11.25 contact hours of continuing nursing education credit or continuing medical education credit.

Competence validation will be awarded when all skill stations are successfully completed with a passing score. Participants must be advised that state and provincial nurse practice acts and institutional policies that prescribe specific independent and interdependent nursing activities and that govern practice must be considered when implementing the described assessments, interventions and evaluations in individual practice settings. AWHONN is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

AWHONN also holds a California BRN number: California CNE provider #CEP580. Accredited status does not imply endorsement by AWHONN or ANCC of any commercial products displayed or discussed in conjunction with an activity. CME is provided through the Professional Education Services Group.

Locations

At Flagstaff Medical Center (FMC), the courses will be held in the Northern Arizona Healthcare Training Center, located at the west end of Fort Valley Shopping Center, 1000 N. Humphreys, Suite 241-242, Flagstaff, AZ. In Cottonwood, the courses will be held in the Courtyard Plaza on the east side of Verde Valley Medical Center (VVMC), 300 S. Willard St, Ste 102.

Cancellation Policy

Refunds are available less a \$160.00 administration fee. No refund is issued if cancellation occurs within five business days of the course.
