

Course Description

The PCCN Certification Prep course is divided into 3-hour sessions by body systems. The learner may sign up for each course they would like to attend – registration for all five classes is NOT required. The class will follow the AACN Core Curriculum text as a guide. The course will include practice questions and test taking tips as well as a structured review of each of the following systems:

- Cardiovascular
- Pulmonary
- Neurology
- Endocrine
- Renal
- Hematology
- Gastrointestinal
- Multisystem
- Behavioral / Psychosocial

Through lectures, case studies and practice exams, the participant will have the tools necessary to pass the PCCN exam.
