

## NAH Student/Instructor Onboarding Instructions –

Thank you for partnering with NAH for your clinical learning. We look forward to supporting your learning journey.

NAH has partnered with MyClinicalExchange to help us improve our compliance and streamline onboarding. Please see our website for additional information on MyClinicalExchange <https://www.nahealth.com/education/learning-about-our-student-process>

This form outlines the requirements needed for onboarding as an academic partner. All compliance requirements must be met at least two weeks prior to starting at NAH. Requirements submitted less than two weeks prior to the start of the rotation will not be given priority. Due to the high volume of students we will review any late submission within 7 business days. You are not permitted to start the rotation until receiving authorization from NAH Student Services. Please reach out to NAH Student Services with any questions at [Students-NAHEducation@nahealth.com](mailto:Students-NAHEducation@nahealth.com)

If you are a current employee at NAH and have completed any of the requirements through your employee profile we do accept employee records in MCE. LMS and ReadySet can be accessed through the colleague portal.

- Transcript can be downloaded from LMS and attached to profile in MCE for any completed modules
- Immunization records can be found in ReadySet

### REQUIRED ITEMS TO COMPLETE IN MyClinicalExchange (MCE):

- ☐ Negative Background check
- ☐ Negative Drug Screen (not required for observation only students and clinical instructors)
