

Financial Assistance Policy – Plain Language Summary

Financial Assistance Offered

At Northern Arizona Healthcare (NAH), our mission is to improve the health of our communities, heal people and always provide better care. Every person, every time, together. The Financial Assistance Program policy ensures financial assistance is available for patients unable to meet his or her financial obligations for care, based upon need, in accordance with federal and state regulatory guidelines.

Eligibility Requirements and Assistance Offered

- The NAH financial assistance eligibility criteria are based on current gross household income, and current household size.
- To be eligible for consideration, an applicant must meet at least one of the following criteria and have income that is less than 400% of the Federal Poverty Guidelines:
 - Ineligible for Medicaid (ex. due to income, citizenship, etc.)
 - Approved for Medicaid but have eligible services PRIOR to eff date.
 - Eligible for Medicaid, with services that are not a covered benefit.
 - Patients or guarantors who choose not to cooperate may be denied financial assistance.

How to Apply For Assistance

Patients or their guarantors can express financial concerns at any point during the patient's care. The patient or responsible party will be encouraged to complete a financial assistance application. For eligible services provided at NAH clinics, all amounts due from the patient, except for copays, are included if the following guidelines are met:

- The applicant meets eligibility criteria and has a yearly household income that does not exceed 400 percent of the Federal Poverty Guidelines.
- All other payment sources have been explored and applied for including private coverage, federal, state, and local medical assistance programs, and other forms of assistance provided by third parties.
